FOREWORD

HI GIAN!

In reviewing this year of 1961 - 62 with picture and by-line, we present our impression of life in a typical American high school. The student body will particularly remember this year as the first one in which we entertained a foreign exchange student, Gian Bellei, of Sassuolo, Italy. We hope that our impressions will always remind the Webb High students, particularly Gian, of many pleasant events and associates. Also, we hope that our yearbook may serve in a small way as a good-will ambassador between Gian's country and ours.

Come into the office

LAWRENCE OLSON
B. A. , M. A. ; Luther College,
University of Iowa.

Dear Seniors,

You are graduating from high school in the year 1962: the year in which John Kennedy is your president, John Glenn orbited the earth, a year in which the citizens of our country have the best in opportunities, a time in which there is great conflict between two disparate ideologies, communism and democracy.

Your church, school, and community have attempted to help you envision the opportunities and pitfalls of tomorrow. Look well into the future for happiness and determine now your contribution to the betterment of mankind and the world in which you live.

My sincere best wishes to each member of the graduating class of 1962!

Very truly yours,

Lawrence Olson
Superintendent of Schools

Guidance is the high art of
helping boys and girls to plan their
own actions wisely. It is the giving
of personal assistance to them in
making their plans and decisions
about careers, education employ-
ment, and any personal problems.

THINK THIS OVER

The Clock of Life is wound but
once,
And no man has the power
To tell just when the hands will
stop,
At late or early hour.
Now is the only time we own.
Love, live, toil with a will;
Do not wait until tomorrow.
For the Clock may then be still.

Elfi Hummel and Susi Goll: Told of great adventures
around the world

"just posin"

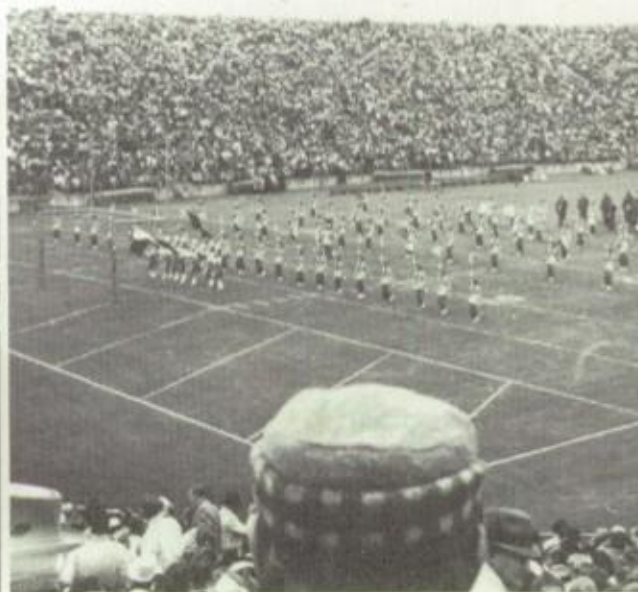

"gee it looks big"

This has been an outstanding year for the band; for it did a special show for the Green Bay Packer - Bear game in addition to the regular half time shows performed here. Another trip the band enjoyed was the stadium in Madison for Band Day. Jim Pfaff did an excellent job as drum major.

The highlights of the Concert Band season were a Winter Concert which was held March 4, and a Spring Concert.

It was an exciting season, complete with success, failure, elation and heartbreak. After fifteen consecutive conference victories and two successive championships, the Beavers fell before a much improved Mauston team on the first playing date of the season. Stung by the opening game setback, the boys came back with a vengeance, defeating Viroqua, Sparta, Tomah, and Richland Center on successive weekends, before bowing again to Portage 12-7, and to a fine Baraboo team 39-0. The final game of the season brought another win--this time at the expense of Wisconsin Dells 6-0.

The team developed slowly during the season and was plagued by more than the normal number of injuries. Letter winners were few and far between, a situation which should not hurt the team during the season ahead.

Once again the Wrestling Team compiled an outstanding season record. Only one team, Richland Center, kept the Wrestlers from a perfect dual meet season. In the Conferences and Regional Tournaments the Wrestlers placed second again because of Richland Center.

The State Wrestling Tournament was a fine climax with Co-Captain Syd Daly winning the 112 pound championship and Co-Captain Tom Adelman winning a "third" losing only to the State Champion and the runner-up. This placed Reedsburg 5th in the State where 176 schools have wrestling teams.

The loyalty program was established in 1919 by a faculty member, W. V. Arnold.

The idea behind the system was to promote competition among the Freshman, Sophomore, Junior, and Senior classes.

Throughout the school year the classes are rated individually on various performances, such as club participation, school attendance, scholarship, athletics, music participation, school support, forensics, and magazine sales.

At the end of the year, climaxed by a formal banquet, the points are totaled for each class to determine the over-all winner.

Responsible for the success of the program each year is the Loyalty Council. It consists of three members from each class who meet weekly to discuss student affairs and once a month to elect a "good citizen."
